This program provides law students with all the benefits of CSHA membership at a reduced rate. This is a pilot program so participation is limited. Participants in this program will receive the following:

Membership Dues: \$25/year (a discount of \$200!)

Benefits of Membership:

- *California Health Law News*, a members-only publication
- One discounted \$25 registration for the Fall Seminar (does not include travel and accommodations)
- Networking opportunities with attorney members

Eligible Individuals:

- Law students
- Recent graduates awaiting bar results

Joining CSHA as a law student or recent graduate awaiting bar results is simple. Send a completed CSHA Law Student Membership Application, plus your resume, proof of course enrollment (schedule/letter from registrar) or proof of graduation, and your membership fee of \$25 to Patricia Ward, Program Manager, California Society for Healthcare Attorneys, 1215 K Street, Suite 800, Sacramento, CA 95814. Once you have joined, you will receive further information about the fall and spring seminars.
