

CSHA Linked In Group: Joining and Discussion Posting Guidelines

The intent of the CSHA LinkedIn page is to provide an online networking space for CSHA members to share relevant articles, tips and tricks or upcoming events relevant to CSHA members. Group members are encouraged to add their own discussion items or posts, per approval of the administrator, to foster conversation among colleagues. The CSHA LinkedIn page is a venue that permits members who cannot attend many in-person events, including law students or Government and Nonprofit attorneys, to feel involved and see the value of their CSHA membership. The intent is to limit the discussion to paying CSHA members.
